

Bridging The Cross Sector Gap- Knowing and Working with your Resources

First Annual !!!

Southern California Emergency Managers Conference (SoCal EMC 2016)

Sept 15, 2016 • Los Angeles District 3 Government Office • Reseda, CA

Business and Industry Council for Emergency Planning and Preparedness (BICEPP), Nexis Preparedness Systems / Firestorm, and the California Resiliency Alliance are pleased to announce the first annual Southern California Emergency Managers Conference (SoCal EMC 2016). The all day event is scheduled for September 15, 2016. Ticket includes access to all sessions, as well as breakfast, lunch and snacks, so save the date!

We have assembled a great array of speakers and topics to share their experiences, best practices and insights (see the following pages). This will be a great opportunity to network with other emergency managers in the Los Angeles area and share ideas. Sign ups have been great a wide variety of companies, institutions, and practitioners will be attending.

Who should attend:

- Emergency Managers
- EH&S Managers
- Business Continuity Managers
- Facilities Managers
- Security Managers
- Operations Managers

Tickets & Information

Please visit the BICEPP website www.bicepp.org and press the Conference link to purchase tickets

Tickets: Non BICEPP Members \$74.00

BICEPP Members \$49.00

Non members can purchase ticket and annual BICEPP Membership for \$99.00
